## FLAVIGNY

If you don't have a kitchen, probably you don't have to get up early.

If you don't have pots and pans, you don't have to work hard.

But without all of this, life will lose a lot of flavors. In a bustling city, no matter how busy you come and go to work, don't forget to love yourself. Buying a set of tableware like sugar can also be very ceremonial for one person.

## TEA WARE

Our teaware and tea collections are inspired by the quintessentially English tradition of 'teatime' and afternoon tea and make the perfect gift or addition to any home.

China teacups, teapots, saucers, cake stands, and sandwich trays are all essential teaware pieces to have a traditional English afternoon tea celebration with family or friends. Colorful, elegant, and expressive, Becasa teaware is perfect for spending time with loved ones and taking time to relax.

In addition to this, we also develop coffee sets for coffee lovers. Available in beautifully decorated packaging, they make a fabulously indulgent gift idea.
